5. The proposal was to finance this work out of a loan which has been applied for. The proposals have not fully explained the Budgetary position of this Dy. It is very unsatisfactory according to Secretary Budget Section. Any further work in this direction will lead to revision of the scales of pay of the Secretariat employees. It would come up to about a lakh of rupees. The President has reported separately that letters drawn attention the Dy at the minimum scale proposed above. In view of the above facts, there is no alternative but to defer the taking up of the above work.

If approved, the President, Dy Cip Bd will be informed accordingly.
